The winningest coach in San Antonio Stars history, Dan Hughes returns for his ninth season in 2014. In his dual appointment as head coach and general manager, Hughes oversees the Stars' basketball staff, the team's roster development and all player acquisitions, while also coaching the team. Hughes stepped aside as head coach to assume a full-time general manager role for the 2010 season and resumed his dual roles in 2011.

In 13 years as a head coach – of the Charlotte Sting, the Cleveland Rockers and San Antonio – Hughes has led his teams to nine playoff appearances, four Western Conference Finals and one WNBA Final. He has collected the third most wins in WNBA history and also is the winningest coach in the history of both the San Antonio and the Cleveland Rockers franchises.

Hughes is the only coach in WNBA history to take three different franchises to the playoffs. He guided the 2008 Silver Stars to a 24-10 mark, earning the best record in the league and the franchise's first Western Conference Championship and its first trip to the WNBA Finals. Additionally, Hughes has been named WNBA Coach of the Year – most recently in 2007 – or finished as runner-up four times.

A member of the five-person USA Basketball Selection Committee for the 2010 World Championships and the 2012 Olympics, Hughes is also serving as a member of the selection committee for the Kay Yow Award. He has also spent time working as a broadcaster on San Antonio Spurs telecasts, as well as on men's and women's college games.

During his eight seasons with San Antonio Hughes guided the Stars to six-consecutive postseason appearances. In total, he has helped Stars players earn 14 WNBA All-Star nods, seven All-WNBA honors, five All-Rookie Team selections, three WNBA All-Defensive Team accolades, two Kim Perrot Sportsmanship Awards and a WNBA Top 15 selection.

In his role as general manager, Hughes is responsible for assembling the foundation of the Stars franchise - he selected now four-time WNBA All-Star and three-time All-WNBA selection Sophia Young in the 2006 WNBA Draft and orchestrated the 2007 trade that brought now seven-time WNBA All-Star and WNBA Top 15 honoree Becky Hammon to the Alamo City. During offseason free agency, Hughes has picked up notable veterans including Tully Bevilaqua, Chamique Holdsclaw, Vickie Johnson, Delisha Milton-Jones and Tangela Smith while acquiring the likes of Ruth Riley and now-perennial Sixth Woman of the Year contender Jia Perkins in trade scenarios. He also utilized San Antonio's draft position to select Jayne Appel – who earned WNBA All-Star recognition as a rookie – and 2011 All-Rookie Team selections Danielle Adams and Danielle Robinson.

Prior to joining the Stars, Hughes spent a year as the Mid-American Conference (MAC) Assistant Commissioner for Men's Basketball Operations. Before joining the MAC's athletic office, he served as the head coach of the now-defunct Cleveland Rockers from 2000-03.

During his four-year stint with the Rockers, Hughes posted a 66-64 record with three trips to the playoffs. His overall record with the Rockers made him the winningest coach in franchise history. In his first season in Cleveland, Hughes directed the team's resurgence from a 7-25 season in 1999 to a 17-15 finish in 2000 and was voted WNBA Coach of the Year runner-up. The following year, Hughes was named 2001 WNBA Coach of the Year after leading the Rockers to a 22-10 record and to their second straight playoff appearance. The 2001 Rockers were one of the best defensive teams ever, posting defensive statistics that still rank amongst the best in the WNBA record books. Cleveland led the league in three defensive categories during the 2001 season, including opponents' points per game (55.9 ppg, first in league history), opponents' field goal percentage (.381, second in league history) and opponents' total rebounds (27.84 rpg). The Rockers finished second in point differential (+6.8 ppg) and opponents' defensive rebounds (18.56 drpg). Hughes' Rockers kept 11 teams to 50 points or less, three teams to fewer than 40 points and five teams to their franchise low, including a WNBA record 34 points vs. Washington on May 31, 2001.

Hughes earned his first shot at coaching in the WNBA with the Charlotte Sting. While serving as an assistant coach during the 1999 season, Hughes took over as head coach midway through the season; he helped the Sting improve their standing in the Eastern Conference from fourth to second place, posting a 10-10 record. He led the team to its third consecutive playoff appearance and its first ever playoff series victory. In addition to his coaching responsibilities in Charlotte, Hughes was a scout for the Charlotte Hornets during the offseason.

More than thirty-two of Hughes' former players and assistant coaches from his 13 years as a WNBA head coach have gone on to join the coaching ranks at the high school, college and professional levels, as well as internationally. Hughes' former athletes who went on to become Division I head coaches are: Tricia Bader Binford (Montana State), Suzie McConnell-Serio (Duquesne), Wendy Palmer-Daniel (North Carolina-Greensboro), Jennifer Rizzotti (Hartford), Charlotte Smith (Elon) and Dawn Staley (South Carolina). Six of Hughes' former players and assistants are currently coaching professional in the WNBA and NBA: Brian Agler (Head Coach - Seattle), Cheryl Reeve (Head Coach - Minnesota), Sandy Brondello (Assistant Coach - Los Angeles), T.R. Dunn (Assistant Coach - Minnesota Timberwolves), Vickie Johnson (Assistant Coach - San Antonio) and Stephanie White (Assistant Coach - Indiana).

A native of Lowell, Ohio, Hughes has been involved in coaching basketball at almost every level in the Buckeye State. Prior to joining the Sting, he served as the assistant coach with the University of Toledo's women's basketball program (1996-97) and men's basketball program (1991-96). During his tenure with the Rockets' women's team, they posted a 27-4 record, winning the MAC Championship, and made an NCAA Tournament appearance. He also served assistant coaching stints with the men's teams at Mount Union College (1982-84 and 1985-91) and Baldwin-Wallace College (1984-85).

During the 1977-78 season, Hughes served as a graduate assistant at Miami of Ohio, helping the team to a MAC Championship and an appearance in the NCAA Regionals.

Hughes graduated with a degree in physical education and history from Muskingum College in New Concord, Ohio, in 1977. He earned a Master's Degree in education from Miami University of Ohio in 1978.

WNBA PLAYOFF FORMAT

The top four teams from each conference will qualify for the 2012 WNBA Playoffs. The first and fourth-place teams, and the second and third-place teams, will each play a best-of-three conference semifinal series. The winners of the semifinal series in each conference will then play in a best-of-three conference final.

Tiebreaker Procedure
The following tiebreak procedure shall be used to break ties for playoff eligibility, home court advantage and draft order. In determining draft order, non-playoff teams will always select before playoff teams.

Two-Way Tie Between Teams In The Same Conference
1. Better record in head-to-head games
2. Better winning percentage in own conference
3. Better winning percentage against all teams with .500 or better record at the end of the season
4. Better point differential in games head-to-head
5. Coin toss

Two-Way Tie Between Teams In The Different Conference
In order to break a tie, the following criteria will be utilized in the order set forth:
1. Better record in head-to-head games
2. Better winning percentage against teams in the opposite conference
3. Better winning percentage against all teams with .500 or better record at the end of the season
4. Better point differential in games head-to-head
5. Coin toss

More Than Two Teams Tied
As many teams as possible will be eliminated at each step. As soon as one or more teams are eliminated at any step, the process must begin again from step (1).
1. Better winning percentage among all head-to-head games involving tied teams
2. Better winning percentage against teams in own conference (if all teams are from the same conference) or better record against teams in the opposite conference (if one or more teams are in different conferences)
3. Better winning percentage against all teams with .500 or better record at the end of the season
4. Better point differential in games involving tied teams
5. Coin toss

Scheduling

Conference Semifinals
The first and second place teams in each conference will have home court advantage in the Conference Semifinals and will host Game 1 and, if necessary, Game 3 of the series.

Conference Finals
The team with the better regular season record will have home court advantage in the Conference Finals and will host Game 1 and, if necessary, Game 3 of the series.

WNBA Finals
The team with the better regular season record will have home court advantage in the WNBA Finals. The championship series will be played in a 2-2-1 format with the higher seed hosting the first two games and the final game, if necessary.

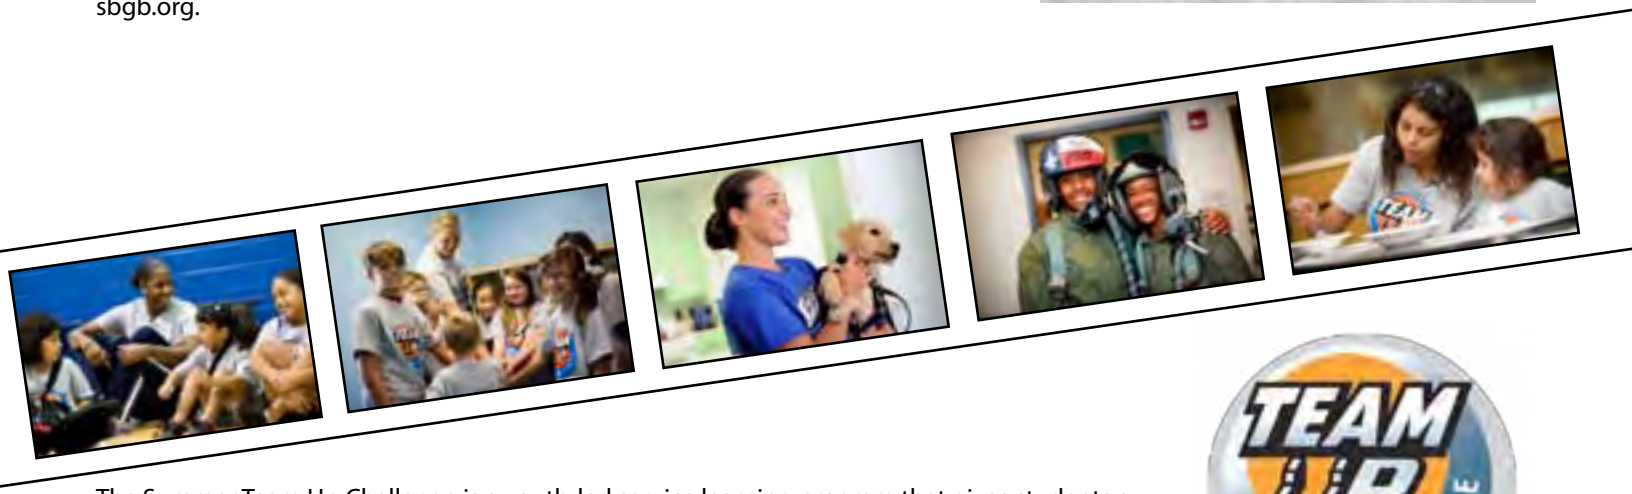
IN THE COMMUNITY

Silver & Black GIVE BACK

Silver & Black Give Back is a 501(c)(3) public charity that began in 1988 when the Spurs were the only team in the Spurs Sports & Entertainment family. Over the years, the SS&E family has grown to encompass three other franchises – the Stars of the WNBA, the Rampage of the AHL and the Austin Toros of the NBA Development League.

Through our unique resources and opportunities, we work to creatively engage young people to enrich their communities. By offering youth sports programs, such as the Jr. Silver Stars, and youth-led service programs like the Team Up Challenge, we've invested in and empowered hundreds of thousands of young people. Silver & Black Give Back is the nonprofit partner of the Spurs Sports & Entertainment family of teams; the San Antonio Stars, Spurs (NBA), Rampage (AHL), and Austin Toros (NBA Developmental League). For 25 years, our players, coaches and staff have been focused on fostering young talent and enriching the community by encouraging local youth to become responsible adults and give back. While sport is our business, community is our passion. Learn more about how you can be involved at www.sbgb.org.



The Summer Team Up Challenge is a youth-led service learning program that gives students a chance to apply learning to the real world, away from the classroom. It connects life experiences with curriculum, bringing education alive in powerful ways.

Over the course of the past three years students in the Team Up Challenge have volunteered over 13,000 hours, fed over 4,000 children, rescued over 100 stray animals, launched a safe driving campaign for teenagers and an anti-bullying campaign for all ages, implemented a recycling program at their school and more.

NBA

Head Coach

SAN ANTONIO SPURS

In the summer of 1973 a group of local investors leased the Dallas Chaparrals and relocated the team to San Antonio. Midway through their first season in the Alamo City the group purchased the team outright, and the Spurs have been a mainstay in San Antonio culture ever since. The Silver and Black played their first three season in the ABA before joining the NBA in the summer of 1976, along with the Nets, Nuggets and Pacers.

Over the last 17 years the Silver and Black have enjoyed a tremendous amount of success. Since Tim Duncan joined the team in 1997-98 the Spurs have captured four NBA Championships and have posted the best regular season winning percentage (.706, 950-396) of any team in the four major sports (MLB, NBA, NFL and NHL). During that time San Antonio has posted the NBA's best record five times (1998-99, 2000-01, 2002-03, 2011-12 and 2013-14) and has won 11 division titles. The Spurs record during that span ranks as the best 17-year run of any team in NBA history. Since the 2000-01 season, San Antonio has posted 50-or-more wins in 15 consecutive seasons, the longest such streak in NBA history.

In September 2012, ESPN the Magazine name the Spurs the "Team of the Decade" in its annual Ultimate Standings survey. The Silver and Black have twice been named the best franchise in professional sports (2003 and 2005) and is the only franchise to rank in the Top 10 every year since ESPN introduced its annual survey in 2003.

The Spurs are led by head coach Gregg Popovich who has been at the helm for the past 18 seasons. The longest tenured coach with the same team in all four major professional sports, Popovich holds the third-best winning percentage (minimum 250 games coached) in NBA history (.681, 967-443). His 967 victories with the Spurs rank second all-time in NBA history for most wins with one team behind Jerry Sloan (Utah Jazz, 1,127).

On the court the Spurs are led by the trio of Tim Duncan, Tony Parker and Manu Ginobili who have won three NBA titles together and have a combined 23 All-Star appearances among them.
For more information on the Spurs or any of the franchises ran by SS&E please call (210)-444-5000 or visit www.spurs.com.

SAN ANTONIO RAMPAGE

The San Antonio Rampage serve as the top American Hockey League (AHL) affiliate for the National Hockey League's Florida Panthers. They play in the West Division of the AHL's Western Conference. Originally a joint venture between Spurs Sports & Entertainment and the Panthers, SS&E bought the team from Florida on June 30, 2005 and assumed full ownership of the franchise. Before their affiliation with the Panthers, the Rampage spent six seasons (2005-11) as the AHL affiliate to the Phoenix Coyotes (now known as the Arizona Coyotes). They entered into a new agreement with Florida on June 29, 2011. The Rampage finished the 2013-14 season with a 30-37-3-6 record, though they posted the winningest Rodeo Road Trip in franchise history, going 7-2-0-1 through the month of February. On that trip, they set a franchise record 12-game point streak, a franchise record eight-game point streak on the road, and a franchise record six-game winning streak on the road. Three players (Jonathan Racine, Vince Trocheck, and Garrett Wilson) made their NHL debut with the Panthers, while five others (Bobby Butler, Quinton Howden, Dylan Olsen, Alex Petrovic, and Colby Robak) earned recalls to the big club. Forward Bobby Butler led the team in goals (22) and points (47), while Vince Trocheck and Drew Shore topped all skaters in assists (26). For the fourth consecutive season, the Rampage finished top 10 in league-wide attendance, averaging 7,001 fans per game during the 2013-14 campaign. Overall, the Rampage welcomed 266,053 fans through 38 home games. The fourth annual Pink in the Rink game raised $36,200 to benefit breast health awareness, and saw a crowd of 15,251 that marked a third-best attendance in franchise history. The NHL made its first stop in the 11-year history of AT&T Center on Sept. 20, 2013, as the Florida Panthers and Dallas Stars faced off in a preseason game. Anointed with the 'C' for the first time in his nine-year professional career, Rampage forward Greg Rallo finished the 2013-14 season top five all-time in four different Rampage categories: third in games played (207), fourth in goals (55), fifth in assists (61), and fifth in points (115). For the second straight season, the Rampage finished the year with a loss to a team that would cease to exist at the conclusion of the season, as the Houston Aeros became the Iowa Wild in summer of 2013, and the Abbotsford Heat will relocate to Glens Falls, N.Y. for the 2014-15 season. Tom Rowe became the ninth head coach in the team's 13-year history when he replaced Peter Horachek on Nov. 8, 2013. The Rampage are one of 30 teams that compete for the Calder Cup, and won their first playoff series in 2011-12, knocking out the Chicago Wolves in five games to advance to the Western Conference semifinals. They were named the Ticket Sales Department of the Year in 2011-12, and were presented with the AHL President's Award following the 2010-11 season for their success in all areas off the ice. In operation since 1936, the AHL continues to serve as the top developmental league for all 30 NHL teams, and more than 87 percent of today's NHL players are AHL graduates. For more information on the Rampage, please contact Danielle Bernstein at (210) 444-5734 or dbernstein@attcenter.com.

Tom Rowe

Tom Rowe enters his second season as head coach of the San Antonio Rampage, when he became the ninth head coach in the 13-year history of the franchise on Nov. 8, 2013. During the annual Rodeo Road Trip in February, the Rampage pulled off their best trip in club history, going 7-2-0-1 under Rowe's leadership, setting a franchise record 12-game point streak as well as a franchise record six-game win streak on the road.

Before coming to the Rampage, Rowe, 58, coached Yaroslavl Lokomotiv of the Kontinental Hockey League, leading the club to a 34-18-0 record and a place in the Conference Quarterfinals during the 2012-13 season. He began his coaching career in the American Hockey League, serving as assistant coach for three seasons (2001-04) with the Lowell Lock Monsters (now the Albany Devils) before being promoted to head coach.

As the New Jersey Devils switched their affiliation, Rowe took the reins of the Albany River Rats (now the Charlotte Checkers), and owned an 80-66-14 record, seeing first round playoff action both years of his tenure (2006-08). He served as Paul Maurice's assistant coach for three seasons with the Carolina Hurricanes (2008-11).

The Lynn, Mass. native was drafted in the third round (37th overall) of the 1976 NHL Entry Draft by the Washington Capitals after playing three seasons with the London Knights of the Ontario Hockey League. In 357 career NHL games, he posted 85 goals and 100 assists, and became the first American-born player to net 30 goals in a season when he scored 31 for Washington during the 1978-79 season.

After retiring at the conclusion of the 1983-84 season, Rowe was a part-time color commentator for Hartford in 1989, becoming the full-time broadcaster in 1990 and staying in that position until the end of the season. He continued to work in Hartford management, being appointed assistant general manager in June of 1991 and remaining there until September 1993, when he made the switch to scouting. Rowe was a professional scout for the Whalers until June 1995.

He skated in 112 AHL games between Adirondack, Binghamton, Hershey, Moncton, and Springfield, posting 66 goals and 43 assists in that time. He resides in San Antonio with his wife.

AT&T CENTER

As the premier entertainment venue in South Texas, the AT&T Center opened in November of 2002. The AT&T Center was built by the initiatives of a public-private venture amongst Bexar County, the Coliseum Advisory Board, the San Antonio Livestock Show & Rodeo and Spurs Sports & Entertainment.

The facility hosts four anchor tenants: the NBA Spurs, the AHL Rampage, the WNBA Stars and the San Antonio Stock Show & Rodeo. Additionally, the venue attracts a multitude of concerts, family shows and special events. In 10 years of operation, the AT&T Center has hosted over 1,000 events with entertaining in excess of 15 million guests. George Strait, the Rolling Stones, Billy Joel & Elton John, The Police, Luciano Pavarotti, George Lopez, Cirque du Soleil, Lady Gaga, Justin Bieber, and Bon Jovi are just a few of the musical acts that have visited the AT&T Center. Other events include NCAA Basketball, WWE Royal Rumble, Walking with Dinosaurs, and the Harlem Globetrotters.

The AT&T Center offers diverse events to the San Antonio community and all of South Texas thanks in part to its various seating capabilities, building configurations, curtaining system and technology upgrades. Configurations from an ice show, to basketball, to rodeo, to boxing, to theater can all be accomplished at the AT&T Center. Complementing every event held at the venue is a 360 in-arena LED ring, four video/scoring panels to the Scoreboard, two Lobby LED Color Matrix displays and over six hundred LCD HDTVs throughout the arena.

To leverage its ancillary meeting spaces and exhibition/trade configurations, the AT&T Center offers MSEs, Meetings and Special Events, throughout the year. This additional amenity further illustrates the facility's full-service approach and has resulted in non-traditional bookings such as Toyota's 2007 National Dealer Meeting and Product Launch, Ford's Customer Appreciation Concert with Toby Keith, and AT&T's 2007 National Leadership Meeting.

Built in a "ranch tech" style, the AT&T Center is designed to present a sense of place, both inside and out. The external view, in addition to its distinctive architecture, features park-like landscaping that's both visually appealing and environmentally friendly. Inside, the design continues to capture the South Texas ambiance with festive colors and imaginative details. Adding to the interior appeal of the AT&T Center is a collection of fine art commissioned by Spurs owners Peter and Julianna Holt. The diverse collection is valued in excess of one million dollars and features Texas modern and basketball styled themes.

"We are enormously proud of the AT&T Center and what it brings to the community," said Holt, chairman of Spurs Sports & Entertainment. "We're proud to have been part of the effort. Now we can provide South Texas with some of the best sports and entertainment available anywhere in the U.S."
